

Be a Speaker at the 72nd ECTC in San Diego

[ECTC Home](#) | [Sponsors](#) | [71st ECTC Highlights](#)

### Submit your abstract for the 72nd ECTC!

*The premier international packaging, components, and microelectronics systems technology conference*

You are invited to submit an abstract proposal about new developments and technology related to the following:

- Applied Reliability
- Assembly and Manufacturing Technology
- Emerging Technologies
- RF, High-Speed, Wireless and Components
- Interconnections
- Materials and Processing
- Packaging Technologies
- Photonics
- Thermal/Mechanical Simulation and Characterization
- Interactive Presentations

### Submission Guidelines

The content must be novel and original, previously unpublished, non-confidential and without commercial content.

All abstracts and proposals must be submitted electronically to our [website](#) by 4 October 2021. [Get more details in the call for papers here.](#) Selected authors and instructors will be announced by 11 December 2021. The first 100 people to submit abstracts will be entered into a drawing to win a free ECTC 2022 registration.

### Abstracts

All accepted papers will be presented during oral, interactive presentations or special student poster sessions. Abstracts must have 250-750 words. Please start your abstract with a first paragraph of no more than 50 words to clearly highlight and summarize the novelty of your work.
