

# **EPS Student Chapter Activity Report**

At the conclusion of an activity which have been subsidized by EPS, the Student Chapter must submit a follow-up report to the EPS Director of Student Programs briefly describing the activity, the attendance and the benefits. For this purpose, please complete the forms in the next 2 pages. Where possible, captioned photographs should be attached with your report. For those activities where funds from EPS have been used, a scanned copy of a simple financial statement endorsed by the Student Chapter Advisor should also be attached.

Activities can be categorized as technical (seminars, workshops, etc), administrative (committee meetings, AGM, etc), social and others. If more than one activity is to be reported please add as many template pages as required.
