

## PAST RECIPIENTS OF THE EPS DAVID FELDMAN OUTSTANDING CONTRIBUTOR AWARD

2022 Chris Bailey

For outstanding service and technical leadership to the EP Society resulting in the growth and relevancy of EPS in a fast-changing electronic packaging landscape.

2021 Paul Svasta

for strongly promoting and implementing Electronic Packaging and IEEE EPS activities in Europe, Region 8, for establishing a functional networking bridge from Academia to industry.

2020 Kitty Pearsall

for outstanding service and sustained leadership to the EP Society through value added improvements in the areas of Awards, Education, Chapters, PDC courses, and professional development.

2019 Andrew Tay

for outstanding contributions in leadership in EPS conferences, chapter and Board of Governors for over 28 years, notably the development of the EPS flagship Electronics Packaging Technology Conference in Region 10.

2018 Jean Trehwella

for 20 years of leadership consistently driving change, collaboration, and engagement in EPS and ECTC, including driving our society name change, sponsoring the Heterogeneous Integration Roadmap, and establishing the ECTC Student Reception.

2017 Patrick Thompson

for outstanding, sustained contributions to CPMT at the Chapter, Society and conference levels for more than 30 years. He has held a large range of leadership positions and has implemented multiple improvements and advancements, added value and provided an innovative mindset.

2016 Jie Xue

for outstanding leadership of the CPMT Society as Vice President and President, with key impact on globalization, industry connections, technical committee revitalization, as well as initiating transformation to prepare the Society for rapid, disruptive changes in the semiconductor and electronics industries.

2015 Shen-Li Fu

for outstanding, sustained contributions to CPMT through leadership of the CPMT Taipei Chapter, operation of multiple international conferences and promotion of strategic professional and educational collaborations.

2014 S.W. Ricky Lee

for sustained leadership and service to the CPMT Society in a broad range of areas including Chapter management, conferences, publications, and governance, most recently serving as 2012-2013 CPMT Society President.

2013 Rolf Aschenbrenner

for over 13 years of leadership, including serving as the CPMT Society's first President from Europe, and extending CPMT's global technical reach through strategic collaborations and establishment of new conferences.

2012 Philip E. Garrou

for a quarter century of strategic and forward-looking leadership of the CPMT Society and key CPMT conferences.

2011 No award given

2010 William Chen

for leading the CPMT Society in defining its value propositions and executing strategic outreach to CPMT stakeholders in the major microelectronics development and manufacturing regions around the world.

2009 C.P. Wong

for 22 years of passion and dedication to the IEEE and CPMT Society in numerous volunteer leadership positions.

2008 Albert Puttlitz

for his nearly 20 years of service to the IEEE and CPMT Society, including serving as champion of professional development by chairing the ECTC Professional Development Committee for many years; managing the Society Distinguished Lecturer's Program and serving more than 10 years of outreach and leadership as CPMT VP of Education.

2007 Rao R. Tummala

for the breadth of his contributions to the CPMT Society in numerous leadership roles, as well as their global impact; including his unprecedented two terms (four years) as CPMT Society President.

2006 John Segelken and Connie Swager

for exceptional and sustained leadership in the IEEE EPS and Electronic Components and Technology Conference (ECTC) in numerous roles.

2005 James Morris

for his exceptional service to IEEE and CPMT Society in various leadership roles and for his pioneering work in electrically conductive adhesives.

2004 Ralph W. Wyndrum

for his exceptional service to IEEE and the CPMT Society in various leadership roles for over forty-five years.

2003 Dennis Olsen

for his exceptional service to the IEEE EPS and its conferences for over twenty years.

2002 Herbert Reichl

2001 John Stafford

2000 John H. Lau

1999 Ron Gedney

(CPMT OUTSTANDING CONTRIBUTIONS AWARD)

1998 Koji Nehei

1996 Karel Kurzweil

1995 Iwona Turlik

(CHMT OUTSTANDING CONTRIBUTIONS AWARD)

1994 Les Fox

1993 Leo G. Feinstein

1992 George G. Harman  
(CHMT CONTRIBUTIONS AWARD)

1991 David W. Palmer

1990 Morton Antler

1989 George H. Donaldson

1988 Nicholas T. Panousis

1986 Paul B. Wesling

1983 John H. Powers Jr.

1978 Ralph E. Armington

1977 David Feldman

1976 David A. McLean

1975 Rudolf Thun

1973 Louis Kahn

1972 Gus Shapiro

1969 R. Holm

1968 P. K. McElroy

1967 F. E. Wenger

1965 A. W. Rogers

1962 Paul S. Darnell
